

Dear Town of East Troy Resident:

Your vote on April 6 will help the town board determine whether to complete a park trail that has been on hold for over ten years. A YES vote will recommend completion and a NO vote will advise abandonment.

The proposed 2.2 mile path that will thread through the Beulah Farms Subdivision at the Northeast corner of the town between the Elegant Farmer and the Town Hall has been a controversial topic at many town meetings.

The town board, in cooperation with the majority of the property owners, have concluded that acquisition by condemnation is a logical process to obtain rights for public access to the trail that surrounds the town park.

Since money will likely be borrowed and applied to the town levy over several years, the town board seeks your input for a commitment to finish the trail.

The exact amount of money needed to reimburse property owners will depend upon Walworth County's final adjusted appraisals of the condemned portions needed for the trail. Ultimately, you will decide at a special town meeting of the electors how the land acquisitions will be purchased.

You are invited to attend a discussion about the park trail on Saturday, March 27, 2010 at the town hall.

Maps and other information are available for review at the town hall at 9330 Stewart School Road; phone: (262) 642-5386.

Notice of Town Park Trail Referendum

An advisory referendum on the April 6 ballot seeks public advice for completing a park trail using condemnation.

A YES vote will approve completion.
A NO vote will advise abandonment.

Tax dollars to be approved by citizens will likely reimburse property owners for public access to the park trail.

Further discussion of the history and development of the park trail will take place on Saturday, March 27, 2010 at the Town Hall, N9330 Stewart School Road,
Phone: 262-642-5386
